

Save The Bus!

March and Rally For Public Transit

Monday, June 26, 3pm

**March starts at ATU Local 998,
734 N. 26 St.**

Rally at County Courthouse, 901 N. 9th St.

**Join us to demand Milwaukee County invest in
SAFE and SECURE public transportation for all!**

The Milwaukee County Transit System is projecting \$2 million in budget cuts to public transit. This is after years of short staffing, county-wide route cuts and reductions that are straining bus operators, mechanics and offering fewer transit options for our communities that depend on public transportation.

- > Adopt the BUS RANGER PROGRAM to improve safety and security on buses.
- > No cuts to transit!
- > Restore routes and stops!
- > Invest in better designed buses for operators and riders!
